This Newsletter is dedicated in Loving Memory of Frank Bianco

As the New Year is upon us This is a time for reflection as well as celebration Because most importantly, this is a time of new beginnings and the celebration of life.

and as we reflect on the past It is sad that Frank's life ended so soon and I cannot put into words how much I and all of us miss him. Frank was a positive person and would not want us to be sad today. If he were here he would tell us to cheer up, smile and remember all of the great memories we all shared. Even though Frank may be gone, his memory will live on in all of us forever. we will never forget you.

Happy New Year in Heaven

GOOD & WELFARE

Here we are in a month named after the Roman god Janus, an appropriate personification of the start of the new year. This particular Roman god had two faces so that he could look ahead toward the future and back at the past at the same time. As we get rid of an old year and look forward to a new one, we all try to be a little like Janus. We know through experience what we did wrong and what we did right, and hope to do better this year. Some people make ambitious new year's resolutions; others just take a deep breath and hope for the best...."

Wishing everyone and their loved ones a Happy , Healty and Prosperous New year 2017
Augurando a tutti e ai loro cari un felice, sano e prospero nuovo anno 2017

QUOTE OF THE MONTH

I am not interested in the past, except as the road to the future.

Non mi interessa, in passato, ad eccezione di quanto la strada per il futuro.
